

Butler Township Planning Meeting
Monday, February 5, 2018

Members Present: Rick Funt, Gail Sweezey, Jon Adamik, Danielle Helwig, Butler Township Secretary, and Jon Holmes, Engineer

Rick Funt, Chair called the meeting to order at 7:00pm. There were five visitors present and no public comments.

Gregg Briggs, 370 Tree Lane Storm Water Management Plan

- Mr. Briggs is interested in building a 16x60 barn with the attention of expanding that footprint at a later date. He has SWM plan for 4,000 square feet that is indicated on the plan. He needs to make sure that the 16x60 building is also indicated on the SWM and get a permit from Land & Sea,

Motion: Funt made the motion to approve the SWM once the 16x60 building was noted on the plan and a permit was issued by Land & Sea. Adamik seconded the motion and all were in favor with a 3-0 vote.

Wesley Crowder—B&F Road Subdivision

- Wesley Crowder is interested in subdividing 10 acres from an existing 144 acre farm for his son and daughter-in-law.
- Beyond all Boundaries is addressing comments from Jonathon Holmes, Engineer. County comments just arrived and they will address those concerns as well.

Motion: Adamik made the motion to waive the preliminary plan and the plan scale. Funt seconded and all were in favor with a 3-0 vote.

Hetrick 1920 Table Rock Road

- Revisions have been placed on the plan. No action required.

Funt adjourned the meeting at 7:45.

Respectfully Submitted

Gail Sweezey
Secretary
