

**Butler Township Planning Meeting
Monday, April 1, 2019**

Members Present: Rick Funt, John Adamik, Barry Towers, Dave Ryman, Gail Sweezey
Danielle Helwig—Township Secretary, Jon Holmes—Township Engineer

Rick Funt, Chair called the meeting to order at 7:00pm. Adamik made the motion to approve the March minutes. Adamik seconded the motion and all approved with a 5-0 vote. There were three visitors present and there were no public comments.

Storm Water Management Plan for 2520 Biglerville Road

The owner's intention is to build a driveway and then a structure.

Motion—since the owner's met the township engineers concerns, Tower's made the motion to recommend that the supervisors approve the SWM plan. Ryman seconded the motion and all were in favor with a 5-0 vote.

Zoning

- We asked Danielle to find out from County when they anticipate the public hearing dates will be published.
- We would also like a complete draft of the Zoning document for review before the public hearings

Funt adjourned the meeting at 7:40pm. The next meeting is May 6, 2019.

Respectfully Submitted,

Gail Sweezey
Secretary
