89 University Dr.- Rich Lemanowicz After receiving favorable engineer comments they are looking for an approval of the LD Plan subject to the Act 247 referral from Adams County. Jon Holmes feels everything is in order. Need a Bond with Butler Township is listed as the oblige.

A motion was made by Wertz 2nd by Keckler to approve the LD Plan subject to the following conditions: 1. Complete the SWM O & M Agreement. 2. Receipt of Adams County's comments after their review. 3. Posting of Bond and 4. Obtaining signatures. Motion carried 3-0

Crowder: B & F Rd. Subdivision - Ken Scott appeared to get approval for the revisions made to the LDP. Township Secretary received the revised SWM module and forwarded that to DEP. Copies of the revised plans were not received by the Township. County Comments have been addressed and resubmitted to the County for review. Jon Holmes suggests everything has been addressed with concerns about the driveway. Doug feels the driveway is fine, site distance ok. Questions were raised concerning the language on the plan referring to the right of way. The plan states the right of way is reserved. The township is not familiar with this term and feels the language should read dedicated.

A Waiver was received and approved at the Feb meeting to waive the preliminary plan and the scale requirements.

A motion was made by Wertz 2nd by Keckler to approve the plan subject to Jon Holmes remaining comments. Motion carried 3-0
